

Our Services

Option A:

Business meetings with 3-5 Chinese potential partners during CIPE (including technical cooperation, investment cooperation and purchaser), one person's registration of all the conferences and a standard booth (3m*3m) in our exhibition

Fee: \$5000

Option B:

In our conferences, holding your product introduction meeting and promoting your company

Fee: \$2000/hour

Option C:

After CIPE, we can guide you to visit Chinese economic zone to inspect the investment environment including building factories and give lectures in Chinese universities or institutes.

Fee: \$2000

Option D:

Introduce to cooperate with Chinese universities and institutes in R & D

Fee: \$2000

**Exploit Chinese
Market For You**

The Largest Optoelectronic B2B Meetings in China

Joint with International Society for Optical Engineering (SPIE)

JUN 25-27, 2013

China National Convention Center

www.cipeasia.com

21 Conferences, 500 Academic Reports, 8 Exhibitions, 20,000 m²,
500 Companies, 400 Universities and Institutes Gathering in China

8 Exhibitions

International Laser Technology and Equipment Applications Exhibition
Infrared Technology and Application Products Exhibition
Advanced Optical Products and Equipment Exhibition
Camera and Imaging System Exhibition
The Optical Fiber Sensing Technology Exhibition
Internet of Things and Smart City Exhibition
Broadband China Optical Communication Exhibition
Test and Measurement Equipment Exhibition

**Look forward
to your
participation!**

21 Conferences

► Academic Conferences

High Power Lasers and Applications Conference
Laser Sensing and Imaging and Applications Conference
Laser Communication Technologies and Systems Conference
Infrared Imaging and Applications Conference
Imaging Sensors and Applications Conference
Terahertz Technologies and Applications Conference
Imaging Spectrometer Technologies and Applications Conference
Micro/nano Optical Imaging Technologies and Applications Conference
Low-light-level Technology and Applications Conference
Optical Storage and Display Technology Conference
Optical Fiber Sensors and Applications Conference

► Product Promotion

Optoelectronic Devices Product Promotion
Infrared Simulation Product Promotion
Machine Vision Industrial Applications Forum and Products Introduction

► Procurement Meeting

Laser Technology and Processing Equipment Procurement Meeting
2013 Optical Machining and Materials Enterprises B to B Meetings

► Industry Development Forum

International Laser Technology Forum
The Second Optical Fiber Sensing Technology and Industry Forum
Broadband China Strategic Development Forum
Internet of Things and Smart City Development Forum
The Optical Fiber Sensing Technology and Industry Forum

WHAT YOU CAN GET
